

# 'DUBS' NEAR END OF QUALIFYING

Qualifying rounds in East Lake's dub tournament, for those players with handicaps of 18 or over, will end this afternoon's play.

Every player in the club with an 18 handicap and above is eligible and is urged to participate as this is the first match play tournament of the season.

It's the one tournament in which all the high scorers have an equal chance to win a championship, without the use of handicaps.

Play in the qualifying rounds will be from scratch, but the handicaps will apply in all matches.

One week will be given over to each round of play and the players may select either course on which to qualify and play the matches.
